NOTORIOUS FORGER DEAD.

Charles Becker Swindled Banks of Large Sums of Money

Becker, who won international notoriety til they had played four extra holes as a forger and a penman of skill, became could the game be decided. J. Freeland known Saturday. He died in poverty, won out on the 40th green. At no time Montpelier according to his friends. Becker once during the first 18 holes was either playstole 5,000,000 francs, approximately \$1,- er ever two holes up. Both players Melanson 000,000, from the Bank of France through played from scratch. his forgeries, and with confederates was The play-off for the annual handicap successful in similarly obtaining enormous sums from banks in Russia, Austria and Turkey. In the last-named country, he was arrested, but escaped from prison. A life sentence behind bars for raising a \$2 check to \$22,000 was Becker's apparent future fate in California 20 years ago, but his release was brought about by the American Bankers' associa-Becker was 68 years old when he

No French Anæmia.

For a country that has been bled white the soldiers of France show an astonish- J. C. Robertson ... 83 ing power of offense. The successive advances of Foch at the Somme do not suggest national anæmia. France seems in greater power than ever before. For five months, practically without assistance. she successfully met the best Germany had to offer, and then turned and smote her adversary.

The German "bled white" doctrine must be relegated to the limbo where reposes the companion doctrine "Verdun will be taken." The French have suffered heavy losses-how great the world 1. does not know. But whatever they are they are not serious enough greatly to weaken the weight of the French armies. All the evidence is that France is more powerful in a military way than at any time during the war-has more men with the colors, more cannon, and ammunition, and aeroplanes. If the war has brought blanching of the arteries it 0. would seem that Germany need more fear a look in the mirror than France.

On the moral side the French seem as ensanguined as on the military side. The Det war is supported with a unanimity dis- Bos no other country. The German idea that France could be detached from her allies showed a misjudgment of St. French psychology. France is chivalric and will enter into no negotiation behind Washington 69 69 the backs of her friends. France more than any other nation has a concept of civilization which is opposed to that of Germany, and will not betray her ideal France unites to her cosmopolitanism a passion of nationalism and demands her reconstitution through the restoration of Alsace-Lorraine. Triple motives thus sustain the French people as they submit to sacrifice and energize the soldiers cinnati I (II innings, darkness).
